Squirrels are jolly tree climbers cute cheeky
drey builders
Quick clever puzzle solvers jumping, dodging and
balancing.
Up in the trees they're acrobats fantastic, amazing
and fearless.
Inquisitive creatures red and grey, busy working
while they play.
Red squirrels have bushy tails, small bright eyes
and sharp front teeth,
Rushing, gathering tree to tree, finding, hiding, nuts
and seeds.
Endangered red and greedy grey, watch them chattering
every day
Lovely creatures of the woodland dashing, dodging
and jumping.
